Update Price:

The screenshot shows a web browser window with the address bar displaying 'localhost:55751/PriceUpdate.aspx'. The main content area has a dark blue background. In the center, there is a light gray modal box titled 'Update Product Price'. Inside the modal, there is a 'Product' dropdown menu with 'SmartTime Pro' selected. Below it, the 'Previous Price' is displayed as '300000.00'. The 'New Price' is entered in a text input field as '300000'. At the bottom of the modal, there is a dark blue button labeled 'Update Price'. Below the button, a green message states 'Price updated successfully.'

Manage Products:

The screenshot shows a web browser window with the address bar displaying 'localhost:55751/ManageProduct.aspx'. The main content area has a dark blue background. In the center, there is a light gray modal box titled 'Manage Product'. Inside the modal, there are three input fields: 'Product Name' with 'SSD', 'Price' with '50000', and 'Supplier ID' with '11'. Below these fields is a dark blue button labeled 'Add Product'. Underneath the button is a table with 10 rows of product data. Each row has columns for ID, Name, Price, SupplierID, and two links: 'Edit' and 'Delete'.

ID	Name	Price	SupplierID		
1	UltraBook Pro	125000.00	1	Edit	Delete
2	Galaxy S24	220000.00	2	Edit	Delete
3	Tab Master	70000.00	3	Edit	Delete
4	Workstation Elite	185000.00	4	Edit	Delete
5	SmartTime Pro	300000.00	5	Edit	Delete
6	AudioMax 3000	300000.00	6	Edit	Delete
7	Mechanical Pro	12000.00	7	Edit	Delete
8	Precision Mouse	8000.00	8	Edit	Delete
9	CrystalView 27"	65000.00	9	Edit	Delete
10	OfficeJet Pro	4000.00	10	Edit	Delete
